

“Don’t let anyone look down on you because you are young, but set an example for believers in speech, in life, in faith, and purity.” I Timothy 4:12

It’s time to begin thinking about the 2023-2024 basketball season. It is still a work in progress to know exactly how the summer will look for basketball. We are once again planning on entering the Glendora Summer League. The official schedule for the summer league has not been provided yet while waiting on the finalized schedule from Glendora. It looks like we will be playing two games a week for a total of 8 games during the early part of June and into July. The games will be played on Monday and Wednesday evenings. We will enter two teams into the Summer League at Glendora; a Junior Varsity and Varsity team. We are also looking at entering into a summer tournament for the varsity this summer. The dates for that still need to be finalized.

**Note:** We also would like to add a Frosh Team for next season. In order to do that, it is important to know that we have the numbers to field a Frosh program. Therefore, it is important that a commitment be shown to the summer program to make this possible. Depending on the numbers and commitment shown in the summer there will be early try-outs. The try-outs will take place the week of June 12-15.

Below you will find a tentative schedule of the summer schedule.:

## **Dead Period: May 29 - June 11**

## **Summer Season Schedule: June 12 - July 20**

The summer season practice schedule will begin in May. A detailed calendar of the summer season will be provided once the Summer League game schedule is finalized. The practice schedule will run Monday through Thursday, with no Friday practice (to allow for AAU/Club athletes to participate in summer tournaments). The practice time will be as follows:

- Practice: 8-10 AM
- Strength Training: 10-11 AM
